

# Cram License Agreement

This License Agreement is a legal agreement between you (either an individual or legal entity) and SimpleLeap Software, a company established and existing under the laws of Georgia, USA for the use of Cram.

The Cram Software (the computer programs in machine readable object code form issued by SimpleLeap Software pursuant to this License Agreement) together with the Documentation (all manuals, user documentation and other related materials pertaining to the Cram Software) and/or other materials distributed with the Cram disk image, CD or any other media containing these materials) is licensed, not sold, to you by SimpleLeap Software, and SimpleLeap Software reserves all rights not expressly granted to you within this license agreement. Under no circumstances shall source code of Cram be made available to you by SimpleLeap. The Cram Software and Documentation are collectively referred to as 'Cram'.

By downloading, installing, copying or otherwise using all or any portion of the Cram Software you agree to be bound by the terms of this License Agreement. If you do not agree to this License Agreement, do not use the Cram Software.

By agreeing to this License Agreement you irrevocably waive any rights under previous license agreements with SimpleLeap Software for Cram and unconditionally accept that your license for the use of current and previous copies of the Cram software shall be exclusively governed by the terms and conditions of this License Agreement.

**IMPORTANT NOTE:** This software may be used to reproduce materials. It is licensed to you only for reproduction of non-copyrighted materials, materials in which you own the copyright, or materials you are authorized or legally permitted to reproduce. If you are uncertain about your right to copy any material, you should contact your legal advisor.

## 1. LICENSE GRANT

SimpleLeap Software may, at its sole discretion, grant you a Demo License, a Commercial License, a Site License and / or a Not for Resale (NFR) License. Unless otherwise stated, the Demo License Terms as set out under (A) are applicable to your use of Cram if you have not purchased or otherwise rightfully obtained a Commercial License, a Site License or an NFR License for Cram. The Demo License Terms are also applicable to your use of Cram on any computers that are not covered under any Commercial Licenses, Site Licenses or NFR Licenses you may have. The Commercial License Terms as set out under (B) are applicable to your use of Cram if you have rightfully obtained a Commercial License for Cram. The Site License Terms as set out under (C) are applicable to your use of Cram if you have rightfully obtained a Site License for Cram. The NFR License Terms under (D) are applicable to your use of Cram if you have been provided with an NFR License of Cram by SimpleLeap Software or its subsidiaries.

## A. DEMO LICENSE TERMS

SimpleLeap Software grants you a non-exclusive, non-transferable license to use Cram for data-limited evaluation purposes, only in accordance with the terms and conditions set forth herein. You agree not to transfer, assign, rent, lease, sublicense, or lend Cram to any other person or entity, except as expressly provided herein, and that any attempt to do so in any other way shall render the license null and void. Cram may be used for up to the amount of data allowed during the demo period which is up to 5 tests that contain up to 5 questions each. SimpleLeap Software may, at its sole discretion, decide to prolong or modify the tryout period and will inform you thereof via the website [www.simpleleap.com](http://www.simpleleap.com) or by contacting you by email, by phone or in writing. If you wish to use Cram beyond the tryout functionality, you will need to purchase a Commercial License.

## B. COMMERCIAL LICENSE TERMS

SimpleLeap Software grants you a non-exclusive license to use Cram, only in accordance with the terms and conditions set forth herein. You agree not to transfer, assign, rent, lease, sublicense, or lend Cram to any other person or entity, except as expressly provided herein, and that any attempt to do so in any other way shall render the license null and void.

### B1. ONLINE ACTIVATION

The Cram Software requires online activation in order to use it under the Commercial License Terms. If you do not activate your copy of Cram, Cram will remain limited to the amount of data explained within the Demo License Terms. SimpleLeap Software may at its sole discretion decide to adjust the exact technical conditions under which un-activated Cram copies cease to work.

You are required to submit personal information during online activation. You need an active, functional internet connection to activate your copy of Cram. Your licensed use of Cram is bound to the computer(s) you used to complete activation. You may need to reactivate your copy of Cram

after replacing the logic board or otherwise changing the hardware configuration of your computer. You may need to contact SimpleLeap Software to complete reactivation.

This License grants you the right to activate and use Cram on either (a) one computer used by multiple people, or (b) several computers, within reasonable limits, used by one and the same person. SimpleLeap Software may at its sole discretion define and adjust what said reasonable limits amount to. This License does not allow multiple users to use Cram on multiple computers.

## **B2. TRANSFER**

The right to transfer the activated copy of the Cram Software to another computer is personal. To transfer your activated copy of the Cram Software to another computer you may need to contact SimpleLeap Software. You may transfer your Cram license rights only once and permanently to another person or legal entity under the conditions that you transfer Cram in its entirety, you do not retain a copy of Cram or any part thereof yourself and the receiving party reads, agrees with and accepts the terms and conditions of this License Agreement. If you activated your license before transferring it you may need to contact SimpleLeap Software to complete the transfer.

## **B3. PERSONAL INFORMATION**

SimpleLeap Software may render this License Agreement null and void if it finds that the personal information you submitted during online activation is incorrect, inaccurate or outdated. It is your sole responsibility to keep SimpleLeap Software informed of any changes in your personal information. You may do so by contacting SimpleLeap Software through the 'Contact' or 'Support' or 'About' sections of the website [www.simpleleap.com](http://www.simpleleap.com) or, if available, from within Cram itself. SimpleLeap may require you to verify any changes to personal information.

SimpleLeap Software may use your personal information to validate your personal license rights, to prove to the reseller where you purchased your Cram license that you purchased your Cram license there and to contact you with information related to Cram. SimpleLeap Software may share this information with its licensors. SimpleLeap Software will not sell or license usage of your personal information to third parties.

## **C. SITE LICENSE TERMS**

SimpleLeap grants you a non-exclusive license to use Cram, only in accordance with the terms and conditions set forth herein. You agree not to transfer, assign, rent, lease, sublicense, or lend Cram to any other person or entity, except as expressly provided herein, and that any attempt to do so in any other way shall render the license null and void.

### **C1. ONLINE ACTIVATION**

The Cram Software requires online activation in order to use it under the Site License Terms. If you do not activate your copy of Cram, Cram will remain limited to the amount of data explained within the Demo License Terms. SimpleLeap may at its sole discretion decide to adjust the exact technical conditions under which un-activated Cram copies cease to work.

You are required to submit personal information during online activation. You need an active, functional internet connection to activate your copy of Cram. Your licensed use of Cram may be bound to the computer(s) you used to complete activation. You may need to reactivate your copy of Cram after replacing the logic board or otherwise changing the hardware configuration of your computer. You may need to contact SimpleLeap to complete reactivation.

Online Activation under the Site License Terms may require additional communication by email between you and/or your employees and SimpleLeap to complete such activation.

This License does not allow Cram to be activated and used on computers that are not either a) owned by you, b) owned by any fully owned subsidiary of you, c) owned by or operated primarily by your employees or employees of any fully owned subsidiary of you. This License furthermore does not allow the use of Cram other than for business purposes of your company.

### **C2. TRANSFER**

You may not transfer your Cram Site License to another person or legal entity unless SimpleLeap, at its sole discretion, grants you the right to perform such a transfer. To request a transfer of your Site License you will have to contact SimpleLeap in writing with details pertaining to said desired transfer, including the name and contact details of the other person or legal entity you wish to transfer your Site License to. SimpleLeap will respond in writing and in a timely manner to communicate its decision regarding said transfer. Any decision communicated to you by SimpleLeap regarding such a requested transfer will be considered final and indisputable. SimpleLeap may contact you a) by email, b) in writing or c) by telephone to request additional details regarding said desired transfer if it deems obtaining more information necessary to come to a decision.

When a requested transfer of your Site License is granted, you may transfer your Cram license rights only once and permanently to another person or legal entity under the conditions that you transfer Cram in its entirety, you do not retain a copy of Cram or any part thereof yourself and the receiving party reads, agrees with and accepts the terms and conditions of this License Agreement, and the other person or legal entity is the same party that SimpleLeap has granted you the right to transfer your license rights to.

## **D. NFR (NOT FOR RESALE) LICENSE TERMS**

SimpleLeap grants you a non-exclusive, non-transferable license to use Cram for evaluation, promotional and/or review purposes, only in accordance with the terms and conditions set forth herein. You agree not to transfer, assign, rent, lease, sublicense, or lend Cram to any other person or entity, except as expressly provided herein, and that any attempt to do so in any other way shall render the NFR License null and void. If you wish to use Cram for other than the stated purposes, you need to purchase a Commercial License to use Cram. SimpleLeap may, at its sole discretion, decide to extend your allowed usage of Cram beyond the stated uses and will inform you thereof via the website [www.simpleleap.com](http://www.simpleleap.com) or by contacting you by email, by phone or in writing.

### **D1. ONLINE ACTIVATION**

Cram requires online activation in order to use it under the terms of the NFR License. If you do not activate your copy of Cram, Cram will remain limited to the amount of data explained within the Demo License Terms. SimpleLeap may at its sole discretion decide to adjust the exact technical conditions under which unactivated Cram copies cease to work.

You are required to submit personal information during online activation. You need an active, functional internet connection to activate your copy of Cram. Your licensed use of Cram is bound to the computer(s) you used to complete activation. You may need to reactivate your copy of Cram after replacing the logic board or otherwise changing the hardware configuration of your computer. You may need to contact SimpleLeap to complete reactivation.

Unless otherwise stated, an NFR License allows you to activate and use Cram on one (1) computer. If you want to use Cram on more computers, please contact SimpleLeap through the 'Contact' section of the website [www.simpleleap.com](http://www.simpleleap.com) to request extension of your NFR License to cover more computers.

### **D2. TRANSFER**

The rights to transfer your activation of Cram to another computer are bound to you personally. To transfer your Cram activation to another computer you may need to contact SimpleLeap. You may not transfer your Cram license rights to another person or legal entity. If you know of anyone else who should obtain an NFR License for Cram, please contact SimpleLeap through the 'Contact' section of the website [www.simpleleap.com](http://www.simpleleap.com).

### **D3. PERSONAL INFORMATION**

SimpleLeap may render this License Agreement null and void if it finds that the personal information you submitted during online activation is incorrect, inaccurate or outdated. It is your sole responsibility to keep SimpleLeap informed of any changes in your personal information. You may do so by contacting SimpleLeap through the 'Contact' or 'Support' or 'About' sections of the website [www.simpleleap.com](http://www.simpleleap.com) or, if available, from within Cram itself. SimpleLeap may require you to verify any changes to personal information.

SimpleLeap may use your personal information to validate your personal license rights, to prove to the reseller where you purchased your Cram license that you purchased your Cram license there and to contact you with information related to Cram. SimpleLeap may share this information with its licensors. SimpleLeap will not sell or license usage of your personal information to third parties.

## **2. GENERAL TERMS**

These General Terms are applicable on the Demo License, the Commercial License, the Site License and the NFR License.

## **COPYRIGHT AND RESTRICTIONS**

Copyright and other intellectual, industrial and/or proprietary rights to Cram and to any whole or partial copies that you make are owned by SimpleLeap or its licensors. SimpleLeap permits you to use Cram only in accordance with the terms of this License Agreement. All rights not specifically granted by SimpleLeap are reserved by SimpleLeap. You agree not to modify, adapt, translate, reverse engineer, decompile, disassemble, or otherwise attempt to reveal the inner workings or modify the functionality of Cram except for those uses allowed in this License Agreement. SimpleLeap is willing to provide you the necessary information to be able to perform tasks regarding compatible programming at reasonable terms. You agree not to remove any label indicating that Cram is the subject of copyright and other intellectual, industrial or proprietary rights of SimpleLeap and/or third parties.

## **MODIFICATION RIGHTS**

You are free to replace those libraries and resources included in the Cram software that are covered explicitly under a license that allows for such modification. Documentation on which libraries and resources in the Cram software are covered by such a license can be found through the "About" window in the Cram software, or can be emailed to you upon request. SimpleLeap is not responsible for any malfunctions or incompatibilities that may occur after any adjustments you make to the Cram software. Machine-readable source code of any used software components that are licensed under the LGPL license and machine-readable documentation needed to relink other components of Cram to (within a reasonable scope) modified Cram of such software components will be provided to you by SimpleLeap upon request, but only after the costs involved with providing such software components have been paid by you to SimpleLeap. SimpleLeap does not warrant or guarantee that you will be able to produce a modified functional version of the Cram Software and offers no support of any kind pertaining to any attempt to do so. You

may not reverse engineer and debug Cram for any other purpose than to make it work with the replaced libraries and resources that are licensed under the LGPL license. Cram's update mechanism may replace the entire contents of the Cram software. Any changes you have made to the Cram application package will likely be lost during an update. SimpleLeap is free to deny support if you refuse to use the update mechanism. SimpleLeap is free to change the structure and contents of the Cram software in any way in an update or new release.

All and any above offers for machine-readable source code and/or documentation will expire three (2) years after the moment of rightful obtainment of Cram by the initial licensee of this agreement, or three (2) years after SimpleLeap seizes to offer Cram for download and/or sale from the [www.simpleleap.com](http://www.simpleleap.com) website, whichever is earlier, with the following exception.

You may not use the Cram name or logo or the SimpleLeap name or logo to advertise any changes you make to Cram. You may not redistribute Cram or any part thereof except for those parts explicitly covered under a license that allows for such redistribution. SimpleLeap will take best effort to provide you with more information concerning the used Cram of the above mentioned libraries and resources in a timely manner when you request such information through the 'Contact', 'Support' or similar sections of the website [www.simpleleap.com](http://www.simpleleap.com).

## **LIMITATION OF LICENSE VALIDITY**

Any license to use Cram granted to you under this License Agreement is limited to the release of Cram which you rightfully obtained on the basis of this License Agreement. SimpleLeap may offer free updates to Cram. SimpleLeap does not guarantee that any other releases of Cram will be made available to you free of charge or that your rights under this License Agreement will automatically be applicable to any future releases of Cram.

## **ADDITIONAL SERVICES**

Fees may apply for additional services and products offered by SimpleLeap and others, including, but not limited to, services that integrate with Cram or extend the functionality of Cram.

## **ADDITIONAL ACTIVATIONS**

The Commercial License and NFR License both do not allow Cram to be activated and used on more computers than the number of computers you have obtained said License(s) for. SimpleLeap may, at its sole discretion, for your convenience decide to allow you to activate Cram on additional computers within reasonable limits. Notwithstanding such a decision you are only licensed to use Cram simultaneously on the amount of computers you have obtained said License(s) for.

SimpleLeap may, at its sole discretion, decide to suspend further activations performed under said License(s), and/or render said License(s) null and void, if it considers the amount of activations performed under said License(s) to be excessive. You and/or the person performing activation will be informed of such a decision either a) in writing, b) by email, c) by telephone and/or d) from within the Cram Software.

## **WARRANTIES**

SimpleLeap is providing you Cram on an "as-is" basis without warranty of any kind. SimpleLeap does not and cannot warrant the performance or results you may obtain by use of Cram. SimpleLeap does not and cannot warrant that Cram operates error-free.

In the event your original copy of Cram appears to be damaged on receipt thereof you have the right to return the damaged copy, which will then be replaced by SimpleLeap or its distributors free of charge in case the damaged copy is received by SimpleLeap or the distributor where you purchased Cram within eight (8) days from the receipt by you of the original copy. Any damaged copies received by SimpleLeap or its distributor after said period will be replaced only against payment by you of all costs incurred by performing the replacement. The above only applies if you rightfully obtained an original copy of Cram on physical media. SimpleLeap does not warrant that Cram operates on the type of computer owned by you and you shall be solely responsible for obtaining a computer compatible with Cram.

The above warranty does not apply if the Cram Software a) has been altered, except by SimpleLeap, b) has not been installed, operated, repaired or maintained in accordance with the instructions supplied by SimpleLeap, c) has been subjected to abnormal physical or electrical stress, misuse, negligence or accident.

## **LIMITATION OF SUPPORT**

SimpleLeap will make an effort to provide you with email support pertaining to your use of Cram. Said support will be limited to topics within the domain of basic usage of Cram. SimpleLeap is not required to offer you general advice on technologies underlying or related to Cram. SimpleLeap reserves the right to cease offering support of any kind pertaining to the usage of older releases of Cram whenever a new release, whether for free or for pay, of Cram becomes available.

## **INFRINGEMENT**

If Cram is, or in SimpleLeap's opinion is likely to become, the subject of a claim of infringement, SimpleLeap shall have the right, without obligation and at its sole discretion, to: a) procure for you the right to continue to use Cram; b) replace or modify Cram in such a way as to make the modified version of Cram non-infringing; or c) terminate this License Agreement, provided that in the event of such termination, SimpleLeap shall refund the License fees paid by you on a prorated basis, taking into account the term Cram has been used or owned, whichever is longer, by

you. The foregoing states SimpleLeap's and its subsidiaries entire liability and obligation to you and your sole remedy with respect to any actual or alleged infringement of intellectual property rights of any kind.

## **TECHNICAL AND RELATED INFORMATION**

SimpleLeap and its subsidiaries may collect and use technical and related information, including but not limited to technical information concerning your computer, system and application software. SimpleLeap and its subsidiaries are free to use this information in any form that does not personally identify you or your computer. Any collection of technical and related information by SimpleLeap and its subsidiaries shall be limited in such a manner that SimpleLeap and its subsidiaries will not be capable to reconstruct the contents of files and folders you use from within Cram or any other personal files and folders that are accessible to Cram when you use Cram.

## **LICENSE CODE**

SimpleLeap may issue a License Code or License Key to you, which you may need to activate Cram under the terms of the Commercial, NFR and/or Site Licenses. SimpleLeap and its subsidiaries and distributors may link said License Code or License Key to you personally. Any given License Code or License Key is considered for your usage only and may not be distributed, published or otherwise communicated to third parties by you, unless permission to do so is granted to you in writing by SimpleLeap.

## **THIRD PARTY SOFTWARE LICENSES**

Cram may make use of third party software components. Notwithstanding the foregoing, use of some third party materials included in the Cram Software may be subject to other terms and conditions. The official copyright notices and specific license conditions of such third party software components are to be found via the About box of Cram or can be emailed to you upon request. You hereby agree to the terms and conditions for any and all such third party software components.

## **TERM AND TERMINATION**

This License Agreement is effective until terminated. Without prejudice to any other rights, SimpleLeap may immediately terminate this License Agreement if you fail to comply with any of the terms and conditions set out in this License Agreement. In such event you must cease all use of Cram and destroy all copies of Cram that are in your possession. Inaction of SimpleLeap to terminate this License Agreement after you fail to comply with any of the terms and conditions set out in this License Agreement does not imply a waiver of any kind of the rights reserved by SimpleLeap under this and other provisions.

## **MISCELLANEOUS**

Your delivery and payment conditions or any other general or special conditions shall not apply. This License Agreement is the entire agreement between you and SimpleLeap relating to Cram and supersedes all prior oral or written communications and representation with respect to Cram or any other subject matter covered by this License Agreement. If any of the provisions of this license Agreement is held to be void, unenforceable or illegal, the other provisions shall continue in full force and effect. The affected provision will be construed as limited to the extent necessary to be consistent with and fully enforceable under the applicable law.

## **EXPORT CONTROLS**

You agree not to export, re-export or use Cram except as explicitly authorized by United States law and the laws of the jurisdiction in which you obtained your Cram license. If you purchased or use Cram in the United States, you may not export or re-export Cram to any U.S. embargoed country or to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or U.S. Department of Commerce's Denied Person's List or Entity List. By using Cram, you represent and warrant that you are not located in any such country or on any such list. You also agree that you will not use Cram for any purposes prohibited by United States law, including without limitation, the development, design, manufacture or production of nuclear missiles or chemical or biological weapons.

## **U.S. GOVERNMENT END USERS**

Cram is defined as "Commercial Items", as defined by 48 C.F.R. §2.101 and consists of "Commercial Computer Software" and "Commercial Computer Software Documentation" as used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202. Cram is being licensed to U.S. Government end users only as Commercial Items, consistent with 48 C.F.R. §12.212 or 48 C.F.R. §227.7202-1 through 227.7202-4 as applicable, and with only the same rights granted to all other end users in the terms and conditions of this License Agreement. All unpublished rights are reserved under the Copyright laws of the United States and International agreements.

## **APPLICABLE LAW**

This License Agreement is governed by United States law or at SimpleLeap's sole discretion the law of any court which may have jurisdiction. This License shall not be governed by the UN Convention on contracts for the international sale of goods. You agree that SimpleLeap, at its sole

discretion, may elect to bring legal action regarding any dispute arising from or in connection with this License Agreement before the courts of Atlanta, Georgia, USA or in any court in any country which may have jurisdiction and you herewith irrevocably and unconditionally submit to the exclusive jurisdiction of the courts chosen by SimpleLeap.

Should you have any questions concerning this License Agreement, please contact SimpleLeap through the appropriate sections of the website [www.simpleleap.com](http://www.simpleleap.com).
