## ADVANCED DISPLAY OPTIONS PAGE

Draw Distance <b>SLIDER</b>	Allows the user to adjust the draw distance to better suit his/her setup. (Turning up the draw distance too far may result in frame rate instability.)
Frame Limiter <b>On / Off</b>	Normally the frame rate of Grand Theft Auto: San Andreas is capped at 30 frames per second. This option allows the game to go faster than 30 frames per second. Be warned that this will not magically make Grand Theft Auto: San Andreas run better, but rather may make your experience "more variable". We do not recommend un-locking the frame rate. If you have a fast machine, it is far preferable to increase resolution, detail options, Anti-Aliasing, etc. rather than trying to achieve a higher frame rate by un-locking the Frame Limiter. This will lead to a more variable game play experience.
Widescreen <b>On / Off</b>	This option is not as obvious as it sounds. Using the Widescreen toggle you can force a 4:3 aspect ratio resolution to use a 16:9 aspect ratio (so if Grand Theft Auto: San Andreas only offers you 4:3 aspect ratio screen resolutions to use, but your laptop has a 16:9 ratio widescreen display, then this will force the 4:3 resolution to look like 16:9, thereby sorting out the "squashed CJ" look). A proper 16:9 resolution displayed on a 16:9 screen does not need the use of the Widescreen toggle (or this will result in "skinny CJ").
Visual FX Quality <b>Low / Medium / High / Very High</b>	This option allows the player to change the depth and amount of in game effects to better suit his/her PC configuration.
MIP Mapping <b>On / Off</b>	Turns on and off the MIP mapping function of the game. This may be greyed out, in which case you are probably forcing Mip Mapping on in your video card drivers. Mip Mapping can help smooth transitions between different sized textures. This can be noticed most in roads that go away from the player.
Anti-Aliasing <b>(Modes 1-3)</b>	Allows the user to select the level of Anti-Aliasing applied to the in game graphics. This will not necessarily offer all modes on all graphics cards; this is limited to what the hardware can do, and available video memory.
Resolution (640x480x32 - Highest your monitor allows)	Select the screen resolution to run Grand Theft Auto: San Andreas We do not recommend using 16 bit color modes if possible.

# WELCOME TO SAN ANDREAS

## A PORTRAIT OF SAN ANDREAS

**SAN ANDREAS** is one of the country's most diverse destinations, known for its huge size and incredible variety. San Andreas is justly celebrated for its 3 wildly different cities, each with their own style and attractions to offer - Los Santos with its celebrity and sprawling ghettos, San Fierro with its eclectic artist community, and Las Venturas with the glitz and glamour of casinos.

### SOCIETY

San Andreas is an ethnic microcosm, it receives the highest number of immigrants and its racial makeup is the most diverse in the world. Nearly every ethnicity and culture is represented in all of San Andreas. Some have said that the race diversity and the cohesiveness of its citizens should be looked upon as a model society for the world to emulate. Walk through any of the three most populated cities (Los Santos, San Fierro, and Las Venturas) and you are bound to witness a melting pot of diversity and ethnicities.

### GEOGRAPHY

As the largest state in the nation, San Andreas has a diverse topography. This is exemplified by the majestic Mount Chiliad in Whetstone, the dense forests of Red County, the dry deserts of Bone County and the scenic water fronts that surround the entire state. San Andreas is not just a celebration of man-made infrastructures but a true testament to Mother Nature's grace, scale and complexity in this great state.

### ECONOMY

As one might imagine with a state as enormous as San Andreas, the economy is a leviathan in itself. San Andreas' three major cities have a diverse range of what they contribute to the state's economy. For instance, Los Santos (Vinewood) continues to be a major world center for motion picture, television and other related entertainment industries. San Fierro is the shipping capital of the nation (if not the world), where hundreds of cargo laden ships enter and exit its bay every day. Last but not least, we have San Andreas' cash cow...Las Venturas. A place where millions of people flock to every year to gamble away their children's college fund, life savings, the house, and anything else to fuel their "leisure pursuit."

# LOS SANTOS

## WELCOME TO LOLLY LAND!

Los Santos is truly one of the most audacious and must-see cities of the world. The people are beautiful and their attitudes...well, that's for you to discover. The city has everything... whether you're jet setting, roughing it or in between, it's ALL here. Los Santos is an urban wonderland with its Babel towers, labyrinth of criss-crossing freeways, side streets, rundown residential districts and glamorous neighborhoods. Los Santos is a place where you can see it all and have it all.

# SAN FIERO

**IF YOU'RE GOING TO SAN FIERO BE SURE TO WEAR SOME FLOWERS IN YOUR HAIR**

Gone are the heydays when San Fierro was Mecca to the counter-culture of the 60s. Now San Fierro is a bustling metropolis with a laissez-faire atmosphere, a quality missing from its neighbors to the east. Where in Los Santos the trends are picked up and are used to death, San Fierro on the other hand is a trendsetter in everything alternative, from flower power to free love and gay rights; San Fierrians pride themselves on being individualist, down to earth and cultured. San Fierro is probably one of the most scenic cities in all of San Andreas. You have the street trolleys coasting up and down the hills, and when not obscured by the city's trademark fog, there are spectacular views of the San Fierro Bay and the world famous Gant Bridge.

# LAS VENTURAS

## Viva Las Venturas!

Conceived by a Los Santos mobster in the 40's and immortalized in numerous Vinewood films this famous San Andreas city is the world's gambling oasis. Home to bright neon lights, busy casinos, enormous hotels, wedding chapels, sinful nightlife, Belvis impersonators and the famous Strip, Las Venturas is the largest adult playground in the world.

Every year, over 40 million people travel to Las Venturas from all over the world to partake in all the activities that the city has to offer. In Las Venturas, everything is done and over done to a spectacular scale. The Las Venturas Boulevard, otherwise known as the "Strip," is lined with magnificent and grandiose structures. From a bronze tint pyramid that rises hundreds of meters high, to a full-scale pirate ship, you will begin to question whether Las Venturas is reality or fantasy.

## III. WARRANTY

LIMITED WARRANTY: Licensor warrants to you (if you are the initial and/or sole purchaser of the Software) that the original copy of the medium holding the Software is free from defects in material and workmanship under normal use and service for 90 days from the date of purchase. Licensor warrants that the Software is not defective when used with a personal computer meeting the minimum system requirements listed in the Software documentation or that it has been certified by

the gaming unit producer as compatible with the gaming unit for which it has been published; however, due to variations in hardware, software, internet connections and individual usage, Licensor does not warrant the performance of this Software on your specific computer or gaming unit. Licensor does not warrant against interference with your enjoyment of the Software; that the Software will meet your requirements; that operation of the Software will be uninterrupted, or that the Software will be compatible with third party software or hardware, or that any errors in the Software will be corrected. No oral or written advice provided by Licensor or any authorized representative shall create a warranty. Because some jurisdictions do not allow the exclusion of or limitations on implied warranties or the limitations on the applicable statutory rights of a consumer, some or all of the above exclusions and limitations may not apply to you.

If for any reason you find a defect in the storage medium or Software during the warranty period, Licensor agrees to replace, free of charge, any Software discovered to be defective within the warranty period as long as the Software is currently being manufactured by Licensor. The Software is no longer available, Licensor retains the right to substitute a similar piece of Software of equal or greater value. This warranty is limited to the storage medium and the Software as originally provided by Licensor and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

Except as set forth above, this warranty is in lieu of all other warranties, whether oral or written, express or implied, including any other warranty of merchantability, fitness for a particular purpose or non-infringement, and no other representations or warranties of any kind shall be binding on Licensor.

When returning the Software subject to the limited warranty above, please send the original Software only to the Licensor address specified below and include your name and return address; a photocopy of your dated sales receipt; and a brief note describing the defect and the system on which you are running the Software.

LICENSOR SHALL NOT BE LIABLE FOR ANY DAMAGES (INCLUDING NEGLIGENCE), CONTRACT, STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LICENSOR SHALL NOT BE LIABLE FOR ANY DAMAGES (EXCEPT AS REQUIRED BY APPLICABLE LAW) EXCEED THE ACTUAL PRICE PAID BY YOU FOR USE OF THE SOFTWARE.

BECAUSE SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THE WARRANTY SHALL NOT BE APPLICABLE SOLELY TO THE EXTENT THAT ANY SPECIFIC PROVISION OF THIS WARRANTY IS PROHIBITED BY ANY FEDERAL, STATE, OR MUNICIPAL LAW, WHICH CANNOT BE PRE-EMPTED. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION.

TERMINATION: This Agreement is effective until terminated by you, by the Licensor, or automatically upon your failure to comply with its terms and conditions. Upon any termination, you shall be required to return the physical copy of Software to the Licensor, as well as permanently destroy all copies of the Software, accompanying documentation, associated materials, and all of its component parts in your possession or control including from any client server or computer on which it has been installed.

Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in FAR 25.201-6 (1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clause at FAR 25.227-19, as applicable. The Contractor/Manufacturer is the Licensor at the location listed below.

EQUITABLE REMEDIES: You hereby agree that if the terms of this Agreement are not specifically enforced, Licensor will be irreparably damaged, and that the remedies at law or in equity are inadequate to provide you with adequate remedy. You agree that Licensor shall be entitled to, without bond, other security, proof of damages, to appropriate equitable remedies with respect any of this Agreement, in addition to any other available remedies.

INDEMNITY: You agree to indemnify, defend and hold Licensor, its partners, licensors, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from or in connection with the act in using the Software pursuant to the terms of the Agreement.

MISCELLANEOUS: This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a written agreement by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the

remaining provisions of this Agreement shall not be affected.

GOVERNING LAW. This Agreement shall be construed (without regard to conflicts or choice of law principles) under the laws of the State of New York, as such laws as applied to agreements between New York residents entered into and to be performed within New York, except as governed by federal law. Unless expressly waived by Licensor in writing for the particular instance or contract to local law, the sole and exclusive jurisdiction and venue for actions related to the subject matter hereof shall be the state and federal courts located in Licensor's principal corporate place of business (New York County, New York, U.S.A.). Both parties consent to the jurisdiction of such courts and agree that process may be served in the manner provided herein for giving of notices or otherwise as allowed by New York state or federal law.
